**RE: Antrim Wind Energy, LLC
Motion to Modify Certificate of Site and Facility, SEC Docket No. 2019-01**

Dear Mr. Pelletier:

On January 10, 2019, Antrim Wind Energy, LLC (AWE) filed a Motion to Modify the Certificate of Site and Facility (Motion) issued by the Site Evaluation Committee on March 17, 2017. Contemporaneous with the Motion, AWE filed a wetlands permit application with DES and a \$2,000 fee for an additional 10,000 square feet of temporary wetlands impacts. The Motion and attachments are available on the SEC website at: <https://www.nhsec.nh.gov/projects/2019-01/2019-01.htm>.

Pursuant to RSA 162-H:7, IV, I am requesting that DES conduct a preliminary review of the wetlands application and respond to me in writing **no later than January 25, 2019**, as to whether or not the application contains sufficient information to satisfy the application requirements. While RSA 162-H does not contain specific milestones and timeframes for your agency or SEC review for modifying the Certificate, AWE has requested expedited treatment of its Motion. Accordingly, I would appreciate it if, in your response, you would also provide me with an estimated timeframe for making a final decision on the wetlands application.

I look forward to your response. If you have any questions or concerns, please feel free to contact me via e-mail at Pamela.monroe@sec.nh.gov or 271-2435.

Sincerely,

A handwritten signature in black ink, appearing to read "P. G. Monroe".
