Re: Application of Chinook Solar, LLC
30 MW Solar Electric Energy Generating Facility
Site Evaluation Committee Docket No. 2019-02

Dear Ms. Monroe:

This letter is to notify you that the New Hampshire Department of Environmental Services (NHDES) Water Division staff have completed their determination as to whether or not the above referenced application contains sufficient information for the NHDES to initiate their technical review to consider the issuance of permits, conditions, certifications or licenses under the jurisdiction of NHDES, and has determined that the application contains sufficient information to satisfy the administrative completeness requirements for an Alteration of Terrain permit application. Based upon a review of the project scope, the NHDES has not identified any additional permit or license application requirements under its jurisdiction.

The NHDES Water Division's detailed review of the project along with the provision for technical comments or conclusions will occur concurrently with the NHSEC project evaluation process. If you have any questions, please contact Ridgely Mauck at 271-2303 or email at: Ridgely.Mauck@des.nh.gov

Sincerely,

for Sarah Yuhás Kirn, P.G., Manager
Land Resources Management
Water Division
