Re: SEC Docket No. 2019-02, Application of Chinook Solar, LLC for a Certificate of Site and Facility for the Construction and Operation of a 30MW Solar Generating Facility in Fitzwilliam, New Hampshire – Appendix 13G

Dear Ms. Monroe:

We recently discovered that one page contained in Appendix G to the Visual Impact Analysis, which is Appendix 13 to the Chinook Application referenced above, could not be accessed properly and therefore did not print properly when the Application was filed. Enclosed are an 11 x 17 version of this page for inclusion in the large binder and an 11 x 8 ½ replacement page for inclusion in Volume I, along with a tab marked 13G to use with the 11 x 17 binder. We apologize for any inconvenience this may have caused.

If you have any questions, please do not hesitate to contact me. Thank you for your assistance.

Sincerely,

Douglas L. Patch
