Re: SEC Docket No. 2019-02, Application of Chinook Solar, LLC for a Certificate of Site and Facility for the Construction and Operation of a 30MW Solar Generating Facility in Fitzwilliam, New Hampshire – Electronic Versions of Figures C.3 and J.1

Dear Ms. Monroe:

We recently discovered that two figures which were provided in hard copy in the 11 x 17 binders were not included in the electronic versions of the Application in the above-captioned docket. These figures are Figure C.3 (which should be on page 16 of the Application) and Figure J.1 (which should be on page 60 of the Application). They are pages 1 and 2 of the 11 x 17 binder. Attached to this email are the electronic versions of these figures. We apologize for any inconvenience this may have caused.

If you have any questions, please do not hesitate to contact me. Thank you for your assistance.

Sincerely,

Douglas L. Patch
