Hi Pamela,

Per our conversation this morning I contacted Adam Dobriske, the interim Fire Chief for the Town of Fitzwilliam, and he informed me he will be requesting assistance from the NH State Fire Marshal's Office for help with enforcing the State Fire Code with reference to the Chinook Solar project. He also informed me that the Town of Fitzwilliam Selectmen will be submitting a written request to the NH State Fire Marshal's Office to enforce the State Building per the requirements of RSA 155-A:7. If there are any changes, I will keep you informed.

Thank you

Michael Matthy
