RE: Memorandum, Chinook Solar Project, "Schoolhouse No. 2, Fitzwilliam, Cheshire Co., NH (RPR No. 9541)

Dear Ms. Mack:

This New Hampshire Division of Historical Resources (NHDHR) has received and reviewed the above-referenced memorandum regarding the location of "Schoolhouse No.2" relative to the Chinook Solar Project boundaries.

Regarding the recent analysis of the geo-referenced historic maps of Fitzwilliam (Fagan 1858, Rockwood 1877, Hurd 1892) the NHDHR concurs with the determination that this potential resource is located north of the Platt (27-CH-0246) and Drury Homestead (27-CH-0243) sites and therefore outside of the project boundaries and project APE.

The NHDHR appreciates the opportunity to review this memorandum and provide comment. Should you have any questions regarding this letter, please do not hesitate to contact me.

Sincerely,

David Trubey  
Archaeologist, Review & Compliance Coordinator
