Docket No. 2021-02

Investigation of Complaints
Regarding Antrim Wind LLC Operations

June 7, 2021

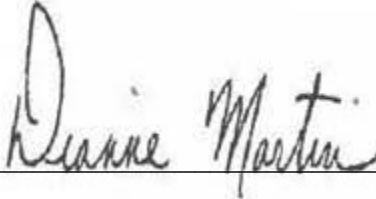

ORDER REPLACING PUBLIC MEMBER

On April 2, 2021, Mr. George I. Kassas was appointed as the public member of a three-person investigative subcommittee. The Appointing Order provided, in part, that if the public member of the subcommittee needed to be recused for good cause, or became otherwise unavailable for good reason, a replacement member would be selected using the random draw procedure established on March 13, 2019.

On June 3, 2021, Mr. Kassas informed me in writing that he has become otherwise unavailable for good reason. Due to business commitments, Mr. Kassas is unavailable and can no longer continue meaningfully serving on the subcommittee established in this docket. As a result, Mr. Thomas R. Eaton was selected to serve as the replacement member under RSA 162-H:4-b by following the random draw procedure established on March 13, 2019. Accordingly, I appoint Mr. Eaton to the subcommittee in this docket.

Pursuant to RSA 162-H:4-b, if at any time Mr. Eaton must recuse himself for good cause, or is not otherwise available for good reason, I will replace him using the established random draw procedure.

SO ORDERED, this 7th day of June, 2021.
