**Re: Docket No. 2021-02: Notice of Complaint re: certain statements by HMMH**

Dear Mr. Goldner and honorable SEC members:

The purpose of this letter is to notify the Site Evaluation Committee that I will be filing a formal complaint in reference to the post-construction sound survey conducted by HMMH under the auspices of the SEC's 2021-02 subcommittee. The complaint centers on certain statements made by HMMH in their written report and sworn testimony that appear to be false or that HMMH has been unwilling, or unable to substantiate. The 2021-02 subcommittee relied on these statements by HMMH in arriving at its conclusions about noise complaints thereby depriving those experiencing Project sound levels of a full and honest review.

Respectfully,
