Docket No. 2024-02

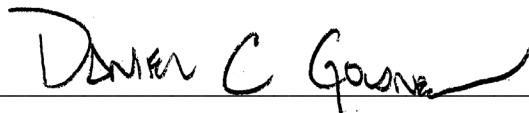

Petition Requesting Jurisdiction and Oversight of Eversource Proposed X-178 Transmission Line Replacement Project

Procedural Order Re: Cancelling the December 20, 2024 Hearing and Notification to the Parties that the Motions for Rehearing will be Rescheduled to be Heard in January 2025

The Site Evaluation Committee (SEC) is scheduled to meet on December 20, 2024 concerning the Petition Requesting Jurisdiction and Oversight of Eversource Proposed X-178 Transmission Line Replacement Project. Prior to a hearing on the merits, the SEC is scheduled to hear motions for rehearing concerning the denial of intervenor status to the New Hampshire Office of the Consumer Advocate (OCA) and the Maine Office of Public Advocate (MOPA). Unfortunately, due to unforeseen circumstances concerning the availability of the SEC members for the December 20, 2024 hearing, the December 20, 2024 hearing must be cancelled and rescheduled.

Given that the motions for rehearing must be heard prior to a hearing on the merits in the underlying matter, and in the interest of due process for all parties involved, the SEC will reschedule the hearing on the OCA and MOPA's motions in January 2025. A notice of hearing to issue forthwith. A hearing on the underlying petition will be scheduled after deliberations on the pending motions are concluded.

So ordered, this sixteenth day of December, 2024.
